

## WESTON PARK

# WEDDING TARIFF

### Start your new life together at Weston Park

Built as a family home in the 17<sup>th</sup> century Weston Park is now yours to enjoy as your own. The grandeur of Weston is matched only by the warmth of its welcome; for this is an historic house where rather than admire from afar, you are truly invited to make yourself at home.

The Houses' grand staircases and vast rooms are made to be filled with friends and families enjoying themselves and creating memories to last a lifetime.

The Victorian Orangery, swathed in natural light and with vistas across the formal gardens make an exquisite setting for a wedding breakfast. The glazed roof, vast windows and soft stonework add a sense of opulence to the scene, which continues through to the terrace and out onto the Italian Gardens, all of which your guests will relish the experience of.

Each of Weston's 28 bedrooms are as unique as they are beautiful, and ensure that guests can truly immerse themselves in the joy of the country house experience.

No party is complete without a banquet and the culinary experience you will receive at Weston Park lives up to every part of the house.

Our Wedding Planner knows the House inside and out and will help you realise your plans down to the very last detail; from choosing menus, matching wines and all those little extras that add the finishing touches to your perfect day.

Finally, our House Butler will run your day to your exact specifications ensuring that everything runs like clockwork so that you and your guests can enjoy every second.

To truly relax into Weston many of our clients will start their celebrations on the Friday evening with family and the bridal party enjoying a relaxed supper in the House or in the Granary Restaurant.
