

## Dining Out with Us

We are thrilled to be able to welcome you back to the Granary from Saturday 4th July. Whilst your dining experience may be a little different, we have a warm welcome and delicious food and drink on the menu.

We re-opened the estate on Friday 12<sup>th</sup> June and have put procedures in place to ensure that Weston is Covid secure for both our staff and guests. We will be applying these same protocols to the Granary Brasserie when we re-open on Saturday 4<sup>th</sup> July.

We have reviewed the guidance outlined by the Government and supported by trade body UK Hospitality to ensure we can welcome you safely

- Please book your table on-line and complete all the required fields so that we can comply with the Government's 'track and trace' programme if required. We only require one contact per table booking
- Whilst we strongly recommend that you make a reservation – we will be accepting walk-ups (if we have room) and will ask for contact details upon arrival
- We ask that you use the hand sanitiser available upon arrival
- Our tables will be sufficiently spaced out to ensure the required social distancing
- Your order will be taken at your table and we will be discarding printed menus after every use
- As you would expect, exacting standards of hygiene will be applied throughout the Brasserie from regular toilet cleaning through to the kitchen; all our team will be routinely washing their hands, sanitising work stations and public areas and wearing face masks and gloves where appropriate
- To eat **indoors** we will be welcoming groups of up to two households (including support bubbles) and **outdoors** we can welcome two households or a group of up to 6 people from any number of households
- We ask you to maintain social distancing at all times with diners that are not in your party

We look forward to welcoming you back!
