

WESTON PARK

Visiting Weston Park

We are really looking forward to welcoming visitors back to Weston Park. The health and safety of our visitors and staff are of utmost importance as we navigate our way through the 'new normal'.

We have adopted the Visit Safe framework created by Historic Houses to help and reassure you as you come back to visit us.

Areas open to explore include Temple Wood, the wider parkland, Walled Garden and Formal Gardens. A Parkland Walks map will be available at the admissions point highlighting various walking routes where you can get off the beaten track.

Areas closed are the House, the Maze, the Woodland Adventure Playground and STUFF! Craft Room

You are more than welcome to bring bikes and well behaved dogs on leads are welcome

Ticketing & Admissions

We have decided to start with managing how many visitors we can have on the estate at any one time and to this you will need to pre-book your ticket and arrival time so that we can safely welcome you all. Once you are here you can stay as long as you wish.

Please book one ticket per person. You can book up to two adults and two children per transaction. If you require more tickets you will need to start another transaction.

Under4's go free and don't require a ticket

Please arrive as close to your time slot as you can.

Please have your tickets ready to be scanned either on your mobile phone or printed off.

If you have members tickets please ensure you bring your membership card with you to be scanned. If you don't have a membership card to accompany your ticket you will not be permitted to enter.

All tickets are non-refundable and non-transferable

Protecting our team and visitors

Where possible we will insist on contactless cash-free payments

We ask that you following social distancing rules and maintain a two-metre distance from other people

Whilst we have 1,000 acres of Capability Brown Parkland to explore we will be operating a one way route around Temple Wood so please follow the directional arrows. The wider parkland and gardens will be open to freely explore so please be mindful of each other and avoid congregating in areas.

We will make plenty of hand sanitizer available throughout the site and in the toilet facilities

We will clear rubbish bins more regularly than usual but would ask that if you are picnicking out in the wider parkland that you take your rubbish with you.

We will be disinfecting public areas and following a strict cleaning regime in our toilets at all times and of course – please wash your hands!

Food and Drink

Currently it's not possible to open our Granary Brasserie, however we will be offering a simple takeout offer from our Stables including hot and cold drinks, ice cream, homemade cake, sandwiches and hot sandwiches using disposable plates and cups.

Whilst we will do everything we possibly can to maintain spotless hygiene across the estate we ask that you do not visit if you have or are experiencing symptoms of Covid-19.

We will monitor our re-opening on a day to day basis; this is just the start of being able to welcome you back to Weston so please bear with us. . . .

We look forward to seeing you very soon!
