

Visiting Weston Park

We are really looking forward to welcoming visitors back to Weston Park. The health and safety of our visitors and staff are of upmost importance as we navigate our way through the Government's Roadmap in easing lockdown.

We have adopted the **Visit Safe** framework created by Historic Houses to help and reassure you as you come back to visit us.

We have also been awarded the We're Good to Go kitemark from Visit England. Our business has been assessed as having followed government and industry Covid-19 guidelines, has risk assessments in place and processes to maintain cleanliness and aid social distancing.

Areas open to explore include Temple Wood, the Woodland Adventure Playground, the wider parkland, Walled Garden and Formal Gardens. A Parkland Walks map will be available at the admissions point highlighting various walking routes where you can get off the beaten track.

Access to Temple Wood is via a one-way walking route. The rest of the Parkland is open to explore as you wish.

Areas that remain closed are: The Granary Brasserie & Café, Art Gallery, The House, Miniature Railway, STUFF Room and the Maze.

Protecting our team and visitors

We are looking forward to welcoming you back to Weston again – all we ask is that you look after each other. Observe social distancing, wear face coverings in indoor areas, be patient with each other and have a wonderful day out!

Where possible we will insist on contactless cash-free payments

We ask that you following social distancing rules and maintain a two-metre distance from other people

Whilst we have 1,000 acres of Capability Brown Parkland to explore we will be operating a one way route around Temple Wood so please follow the directional arrows. The wider parkland and gardens will be open to freely explore so please be mindful of each other and avoid congregating in areas.

We will make plenty of hand sanitizer available throughout the site and in the toilet facilities

We will clear rubbish bins more regularly than usual but would ask that if you are picnicking out in the wider parkland that you take your rubbish home with you.

We will be disinfecting public areas and following a strict cleaning regime in our toilets at all times and of course – please wash your hands!

Whilst we will do everything we possibly can to maintain spotless hygiene across the estate we ask that you do not visit if you have or are experiencing symptoms of Covid-19.

We will monitor our re-opening on a day to day basis; this is just the start of being able to welcome you back to Weston again so please bear with us. . . .
